

## DOBBINS SUFFERS DEFEAT.

SIR EXCESS DOWNS MR. CROKER'S CHAMPION IN THE CHAMPAGNE.

Prince George Also Beaten, the Wakefield Handicap Going to Mary Stone—It Was a Brilliant Finish and Doggett Won Through Strategy—Nellie Ferguson Golding, Assignee, Asteris, and Speculator the Other Winners of Well-fought Races.

Mr. Richard Croker returned from the Saratoga Convention in time to see his colts, Dobbin and Prince George, beaten for the Champagne Stakes and Wakefield Handicap at Morris Park yesterday afternoon. Both were favorites, and both were beaten in neck-and-neck finishes. Mr. J. W. Rogers' Sir Excess took the Champagne Stakes, and Mary Stone won the Wakefield Handicap, chiefly through the strategy of Jockey Doggett, who brought the mare to the outside of the track at the head of the stretch and had a dry path all the way home. The heavy rain of Friday night left the course in anything but first-class condition.

Bulletins were posted on blackboards showing the progress of the Vigilant-Valkyrie race, and there was genuine enthusiasm when it was learned that the American boat had won. The attendance was probably the largest of the meeting.

Dobbin carried the bulk of the money in the Champagne Stakes for two-year-olds at seven furlongs. This race is the practical test of the best two-year-olds, and the victory generally develops into a good three-year-old capable of going a distance of ground. Mr. Croker's big champion came out looking in remarkable fettle and moved through the stiff mud as though he liked it. The light weighted Eightfoot made the running over the hill, with Dobbin second and Sir Excess, Rubicon, and Asteris on even terms next. Sir Excess was very rank, and gave Tarel a great deal of trouble. He had to swing him about in order to keep him from going to the front. Once in the straight Dobbin took the lead, and Sir Excess came up next the rail with Sir Excess, and catching Dobbin a furious from home beat him out a neck in a hard drive. Rubicon and Asteris followed, and Nellie also ran.
